

**COMPUTERIZED ELEVATOR CONTROL CORP.**  
Moving People. Moving Business.

**SWIFT®**  
**FUTURA™**  
The Power of Touch

# ALL-IN-ONE

With an integrated touch-screen computer system, the SWIFT® Futura™ provides easy viewing of group elevators, diagnostic operations and complete parameter adjustment. All without the need for extra tools. Installation, maintenance and service just got easier and more cost-efficient.

**SINCE 1980**
